

## Dario Rigon

### Graphic Designer

Hi, I'm Dario, from Verona, Italy.  
I am a calm guy from the eighties that likes to get the work done. Italy is full of art, and that brought me to learn very widely every aspect of design, sometimes even in its 'musical' aspects. After all design is like music: you have notes and pauses, forces and rhythm.

» **e-mail** [mangasprai@icloud.com](mailto:mangasprai@icloud.com)  
» **website** [www.dariorigon.com](http://www.dariorigon.com)

## Education

» **I.P.S.S.S. Bartolomeo Montagna**  
Tecnico Grafico Pubblicitario  
2001 - 2006

I studied design base rules, photography, a bit of psychology and communication. Also a bit of hand-calligraphy.

## Employment

» **eLance - upWork**  
Graphic Designer  
2013 - Present

Working online with clients all over the world on print/web/mobile related projects.

» **Globo s.p.a.**  
Graphic designer and Illustrator  
2009 - 2012

Packaging design and illustrations for imported toys. Photo-retouches of kids and products. Printing the packages, and build real-life prototypes.

» **Emporio del Timbro**  
Graphic Designer  
2006 - 2007

Graphic Designer for Business Cards, flyers and T-Shirt Design. Vectorial shop stickers.
